

# Training session program

## RESEARCH AD7 COMPETITION (all 10 fields)

### Written test - mock exam on the file published

Held remotely *via* Teams  
in English

21 February 2025

9:00 am to 12:15 pm

#### Methodology

Format and objectives  
Expectations of the jury  
General and detailed advice  
How to analyze the documents  
Dealing with different types of assignments

#### Mock exam

Instructions  
40 minute-test

#### Collective correction

Collective feedback  
Sample correction  
Tips for improvement

**Prerequisite:** proficiency in the language in which the training is provided is necessary

**Pedagogical methods:** participatory lecture with real-time practice

**Technical arrangements:** trainers have access to shared training materials

An internet connection is required to attend our online training courses

#### Objectives of the training session:

- to structure the written communication with a logical flow of ideas.
- to write concisely without use of unnecessary words and sentences.
- to present subject-matter in an understandable way.
- to adapt/tailor their writing to match the intended audience and purpose.
- to use the information provided to deal with the assignment.

#### Evaluation methods:

- Satisfaction questionnaire at the end of the training
- So-called "cold evaluation" questionnaire after your tests
